Community Empowerment in Changing World—Issues and Challenges

A project involving community empowerment received a grant of 4.900 from the government of 2015-16. The project, titled "Community Empowerment in Changing World—Issues and Challenges," aims to address the challenges faced by communities. The project is expected to enhance the lives of the community members.

The project started in 2015-16 and is expected to continue until 2016-17. The grant provided was $451,000 (in Rupees).
